

Kip McGrath in your community

Kip McGrath Moorooka is proud to support Moorooka State School in helping students improve their literacy, while gaining confidence and having fun with spelling.

Working with local schools to help ensure all students can reach their full learning potential, has always been a priority for Kip McGrath Education Centres. Centre owners Mick and Lyn have over 60 years teaching experience between them and provide a

positive learning environment that helps students of all levels to experience success.

"We are excited to be involved with the Moorooka State School Spellathon. Participation in such activities gives students incentive to set goals and strive to improve while having fun", said Mick and Lyn.
